

Which of these things will help me save energy around my house?

1.  Feed the dog.
2.  Turn out the lights when leaving the room.
3.  Turn down the thermostat in the winter.
4.  Play lots of video games.
5.  Layer clothing when it's cold.
6.  Leave the TV on all day.
7.  Take a shower instead of a bath.
8.  Use ceiling fans to help cool your room in the summertime.
9.  Run the air conditioner with the door open.
10.  Take your dirty boots off in the house.

Hang this list in your house to remind everyone how to save energy.
